Enrichir la vie des enfants!

Safety is very important to all of us on iCampus and we wanted to share some guidelines for parking and dropping off/picking up your child(ren) to help with this. We hope this helps to answer any questions you may have. We thank you in advance for adhering to them as it helps to keep traffic flow moving and focuses on the safety of all.

How Does the Parent Loop Work?

The loop that goes through the main playground area is our **Parent Drop Off/Pick Up Loop**. This is our 'Hug and Go' option. This is a drive-through lane for quick drop off and pick-up and is **NOT** for parking. If there are no spots available to pull in please continue to circle the loop until one becomes open. Stopping/Parking on the inside of the loop (by grassy side) is not permitted. Please refrain from double parking in the loop.

Kindergarten Drop Off/Pick Up in the Parent Loop

Please note that there are designated kindergarten drop off/pick up spots in the Parent Loop. These are marked by signage and we ask that it only be used for kindergarten students. Thanks for helping us out with this!

Other Drop Drop Off/Pick Up Options

Parking on the street by the Historical Village (42st) is available and there is a sidewalk that your child(ren) can walk on through the playground that is cleared of snow in the winter.

Parking on the East side of the school on 51st Ave is also an option as children can follow the sidewalk to their doors. Please note that the parking lot and loop at the back (East side) of the school is for **School Staff Only** and is not a parking or drop off/pick up location for families.

During the hours of 8:45am-2:15pm, for quick pick up, you may use the loop in front of the school to sign your child in/out when you drop them off or pick them up throughout this time. If there are buses in the loop please refrain from entering this area. Thank you!

What if I Want to Park and Exit My Vehicle?

Longer term parking is available in the IMS parking lot (North of ÉJWES). If you need to come into our office, please park and walk over to the ÉJWES main doors and check in at the office.

Accessible Parking

Accessible Parking is available in the Parent Loop, in the IMS parking lot and in front of the ÉJWES main doors during the hours of 8:45am and 2:15pm. Accessible Parking is marked by blue signs and we ask that you respect the usage of these designated spaces. Please call the office if you have a special consideration.

We appreciate your support and assistance in keeping our students safe. As always, please give us a call at the school if you have any questions!
