  **Our Fall Fundraiser is Here!!**  

We will once again be providing the opportunity to buy locally grown and produced goods from **Innisfail Growers** and **The Angus Store**. We are offering a great selection of best-selling items from each local business. You might even consider putting together a basket of items as a holiday gift! Our fundraiser will run from **November 1st until November 13th** so we can have your orders back to you close to the end of November.

All orders **will be completed online** (order forms/payments will not be accepted at the school). Here are few tips to help:

- Attached is a paper form to use as family and friends place orders for their favourite items
- With our online payment system, only parents/guardians are able to place an order
- Please enter all items as one large order on your account (using the paper form with the recorded orders)
- Please collect the payments from orders directly
- The online order form will open on November 1st

Please use the following link to place your order:

We are working to organize a pick up time during the last week of November. You will be invited to come on one identified evening to pick up your package and will then use your paper order form to distribute items to family and friends. Specific details on pick up will follow once we have delivery details confirmed.

Your participation is voluntary but even the smallest amounts raised help to support many great extra experiences for our students!

### **Why do we fundraise?**

- Proceeds of this fundraiser will be used toward:
  - Supplementing the costs of field trips to reduce the amount each family would pay for their child(ren) to participate

We would like to thank our ÉJWES School Council for collaborating with us on our annual **Fall Fundraiser**. Our school council works diligently to support many school activities through various fundraising opportunities during the year. Thank-you for your continued support! Please don't hesitate to contact the school if you need assistance or have questions (403-227-3292).
